

B.B. Club presents...

U misiji stalnog obogaćivanja naše usluge, sa željom da premašimo vaša očekivanja, kao sastavni dio hotela Sunčani Hvar, osnovali smo Best of Hvar Club. Na jednome mjestu okupili smo ekskluzivan tim domaćih poljoprivrednika, vinara i drugih proizvođača čiji proizvodi nastaju tradicionalnom metodom i uzgajaju se na otoku Hvaru.

Znak Best of Hvar Club koji se nalazi uz određeno jelo ili piće označuje da svojim članovima osiguravamo sve ili barem pedeset posto namirnica za pripremu tog jela ili pića. Želite li uživati u izvornom i ukusnom jelu, toplo vas pozivamo da kušate te delicije i osjetite jedinstvene mirise našega sunčanog otoka.

Okusite Hvar!

Our mission is to upgrade our service and exceed your expectations; therefore, Sunčani Hvar Hotels has founded the Best of Hvar Club. We have gathered an exclusive team of local farmers, winemakers, and producers whose products are grown on the island of Hvar and cultivated with the use of traditional techniques.

If an item on the menu is marked with the Best of Hvar mark, our club members provided all or more than fifty percent of the ingredients for that dish. Experience a delicious meal in an authentic atmosphere. Accept our warmest welcome and try these scrumptious and savory dishes and enjoy the unique aromas of our sunny island.
