Sunseeker Yacht 82 "Lucky Bear"

The luxurious Yacht 82 designed and built by Sunseeker International has the most highly engineered support systems and accommodation options. The Yacht 82 is the choice for extended cruising in the Adriatic in unique style and luxury.

Accommodation includes a superb double berth master stateroom with fully equipped en-suite facilities, a VIP guest stateroom with an en-suite shower room, two additional guest cabins and aft cabin quarters for captain and crew. Features include air-conditioning throughout, flat-screen televisions, Hi-fi surround DVD and CD system and radio/CD players.

A very large saloon is enhanced by a fixed dining table and a fully equipped galley. The wheelhouse offers twin seats, with spectator seating, while a spacious aft teak deck leads to a hydraulic bathing platform.

Powered by twin 1550 BHP CAT engines and two submerged propellers in semi tunnels, the Yacht 82 has a maximum speed of 33 knots. The roomy fly-bridge deck offers further seating and a large sun lounging area, with a separate space for a tender and sports equipment. Furthermore, bespoke deck fittings specially manufactured by Sunseeker, give this new model an individual and feel.
