

# HVAR HIKING TOUR - 3.5h

CAR/VAN TRANSFER INCLUDED, PRIVATE OPTION

*The island of Hvar is a paradise for walkers and nature lovers. Hike along the old shepherd's paths and lonely tracks, experience wonderful views, unspoilt nature overflowing with the intense colours, and fragrances of lavender, sage and rosemary. Explore this beautiful island - its rugged coastline, cliffs and mountains, its small villages, olive groves, lavender fields and vineyards.*

*Climb the hills for beautiful panoramic views and then descend through olive groves and vineyards to the coast that offers unforgettable impressions for nature lovers!*

*On foot discover the simple charms and exquisite details of the island of Hvar as we stroll through this region rich in history, cultural and natural splendour.*

*Find secret places and special moments off the beaten path and discover the hidden creatures while learning things others do not know about. Unveil wilderness mysteries of Hvar Island through Secret Hvar's guided walking and hiking tours. Have an authentic vacation that tells the story behind the scenery.*
