## ROSE

As in a garden, succumb to the fresh scent of the May Rose! Bursting with essential fatty acids, omega 3 and tocopherols (vitamin E), antioxidants recommended to prevent skin dryness, Argan oil fights skin aging and restores suppleness and radiance to the skin by optimizing the hydration of the upper layers of the epidermis. It increases the nutritive contributions at the level of the cells and restores the hydrolipidic film. It is an oil that preserves the youthfulness of your skin by protecting it from the aggressions of nature (sun, cold, wind) and pollution. Argan oil moisturizes and nourishes all skin types, reduces the appearance of stretch marks, promotes healing of chapped skin.

## ORANGE BLOSSOM

Discover the delicate and bewitching fragrance of Orange Blossom...

Argan oil, a true beauty secret for thousands of years, combines many benefits: it gives the skin suppleness and radiance, provides deep hydration to the skin and protects it from the aggressions of nature (sun, cold, wind) and pollution, reduces the appearance of stretch marks, increases the nutrient supply to the cells and restores the hydrolipidic film, promotes healing of chapped skin.

Packed with essential fatty acids, omega 3 and tocopherol (Vitamin E), antioxidants.
