## THE SPA AT ADRIANA BY KOS AND CODAGE PARIS

Like us, our wellness partner Kos and Codage believes that each person is unique.

Worldwide ancient traditions meet refinement and skill of the latest in French Cosmetology to create our spa. The spa offers a comprehensive menu of facials, massage and body treatments designed to meet the needs and goals of each guest. Refresh the mind & revitalize the body with bespoke experiences & treatments that guide you to a place of wellness.

Your skincare expert will create a truly unique experience with instant, effective and efficient results.

Emphasis is given to clean and natural products with powerful active ingredients, because transparency cultivates trust.

Our body massages are a combination of precision and movements derived from ancestral traditions combined with our Haute Cosmetology products which makes KOS and CODAGE body treatments a true result of beauty and a feeling of ultimate wellbeing.

Kos and Codage treatments are performed in an intimate chic and muted atmosphere. Ideal to release tension and promote relaxation.

# KOS PARIS ORGANIC SKINCARE

*KOS is created out of our desire to develop a high-end line of cosmetics which combine the powerful natural assets of the plant world, rich textures and an enduring respect for the environment. Natural and Organic ingredients from around the world are selected for their exceptional powers and beneficial qualities. KOS cosmetic care products are without preservatives, silicone, petrochemical derivatives and mineral oil.*

## CUSTOMIZED MASSAGE

30 - 60 - 90 MINUTES | 700 kn - 1000 kn - 1500 kn

*Relaxation or deep tissue massage customized to your needs with your choice of KOS Paris massage oils. Kos massage oils are a cocktail of precious botanical oils developed to moisturize and nourish the skin.*

### ROSE

As in a garden, succumb to the fresh scent of the May Rose! Bursting with essential fatty acids, omega 3 and tocopherols (vitamin E), antioxidants recommended to prevent skin dryness, Argan oil fights skin aging and restores suppleness and radiance to the skin by optimizing the hydration of the upper layers of the epidermis. It increases the nutritive contributions at the level of the cells and restores the hydrolipidic film.

It is an oil that preserves the youthfulness of your skin by protecting it from the aggressions of nature (sun, cold, wind) and pollution. Argan oil moisturizes and nourishes all skin types, reduces the appearance of stretch marks, promotes healing of chapped skin.

### ORANGE BLOSSOM

Discover the delicate and bewitching fragrance of Orange Blossom...

Argan oil, a true beauty secret for thousands of years, combines many benefits: it gives the skin suppleness and radiance, provides deep hydration to the skin and protects it from the aggressions of nature (sun, cold, wind) and pollution, reduces the appearance of stretch marks, increases the nutrient supply to the cells and restores the hydrolipidic film, promotes healing of chapped skin.

Packed with essential fatty acids, omega 3 and tocopherol (Vitamin E), antioxidants.

### ISLAND FLOWER

Let yourself be overwhelmed by the soft and sensual scents of Vanilla and Tiare flower... Argan oil, a true beauty secret for thousands of years, combines many benefits: gives the skin suppleness and radiance, provides deep hydration, protects against natural aggressions (sun, cold, wind) and pollution, reduces the appearance of stretch marks, increases nutrient intake at the cell level and restores the hydrolipidic film, promotes healing of chapped skin.

Packed with essential fatty acids, omega 3 and tocopherol (Vitamin E), antioxidants.
